STEP 4: Update your profile, and now you are ready for the course.

YES Club e-learning platform is consisted of two main parts or programmes:

E-seed

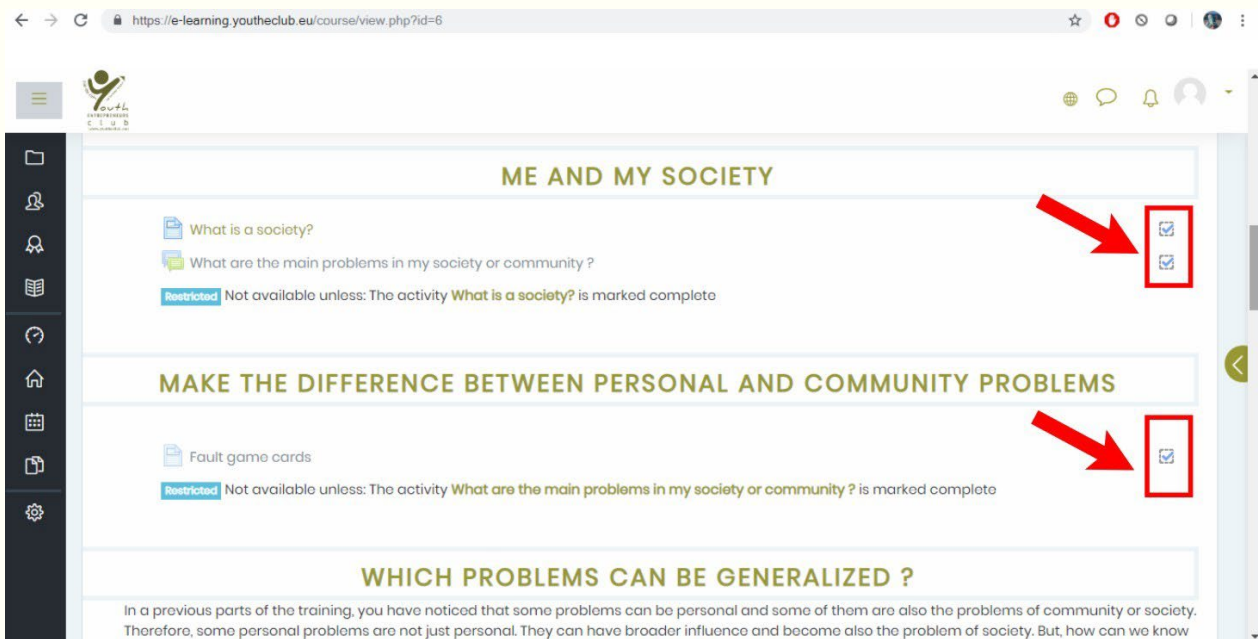

The first one is named E-seed and it is dedicated to someone who wants to start with learning about social entrepreneurship. In general, those courses are for the beginners and for someone who wants to make its first touch with social entrepreneurship. There are 4 courses in this section.

3. How to follow the activities

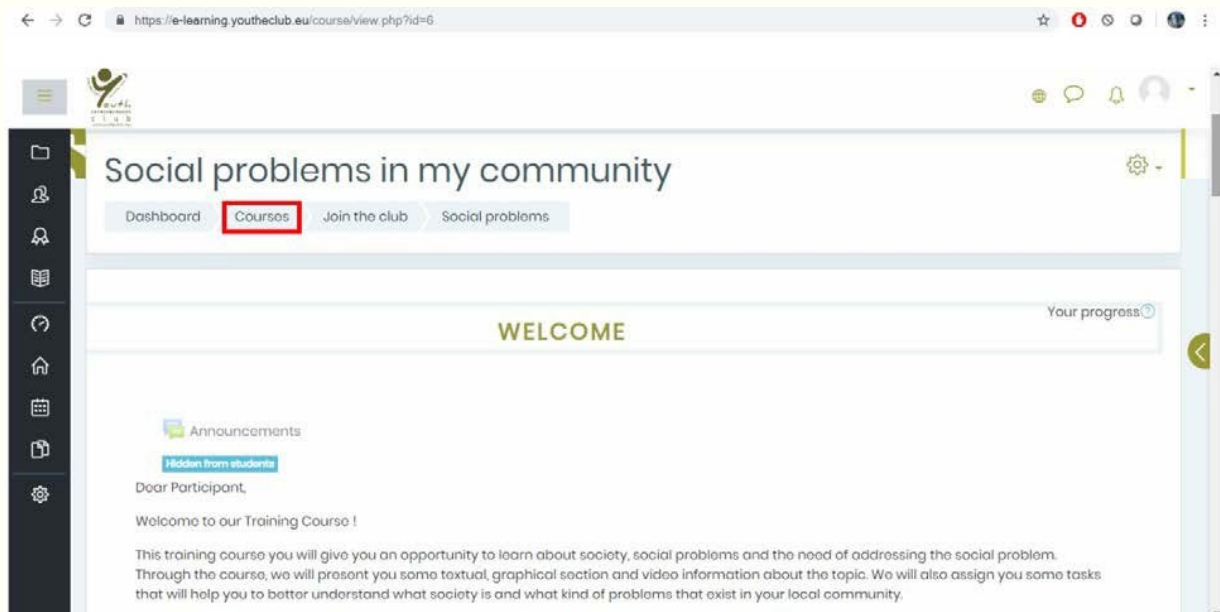

Now you're logging, let's go!

When you **Enter** you are automatically enrolled to the first Training – **Social Problems in my community**. You need to finish all of tasks of the course before moving to the next course.

If you want to return to the home page of the course, use the navigation panel at the top of every page and click Home.

Solve social problems: From idea to action

We are waiting there for you to take another challenge and to learn more about tools and methods to create innovative ideas for solving the existing social problems.

After finishing the course you will be enrolled for the second training and so on.

PART 1: Social problems

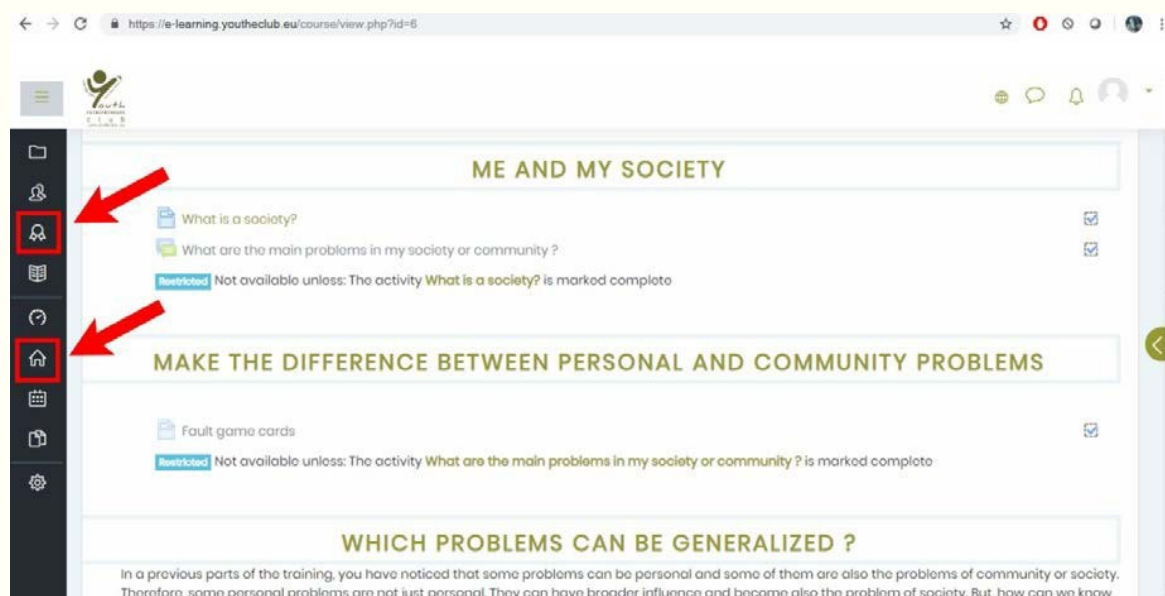

PART 2: Solve social problems: From idea to action

PART 3: Entrepreneurship and Social Entrepreneurship

PART4: The profile of a social Entrepreneur

4. How to track my progress

The task given from the beginning need to be solved and if successful, you get a **badge** which will appear at the next step.

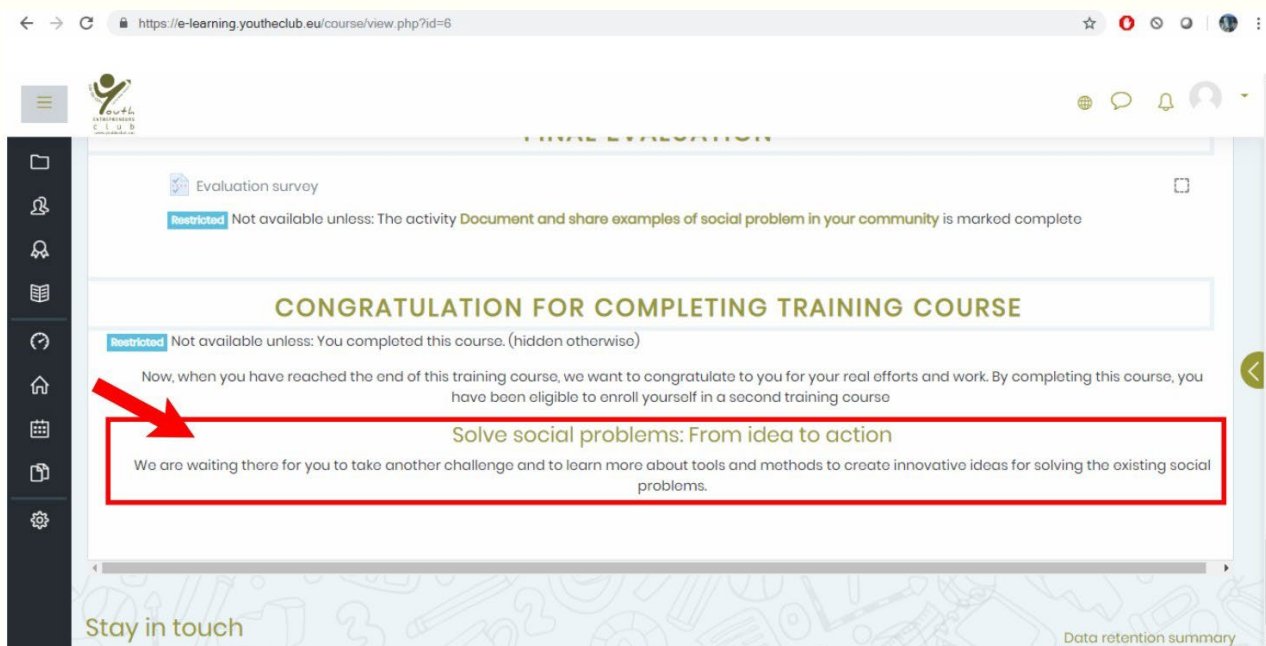

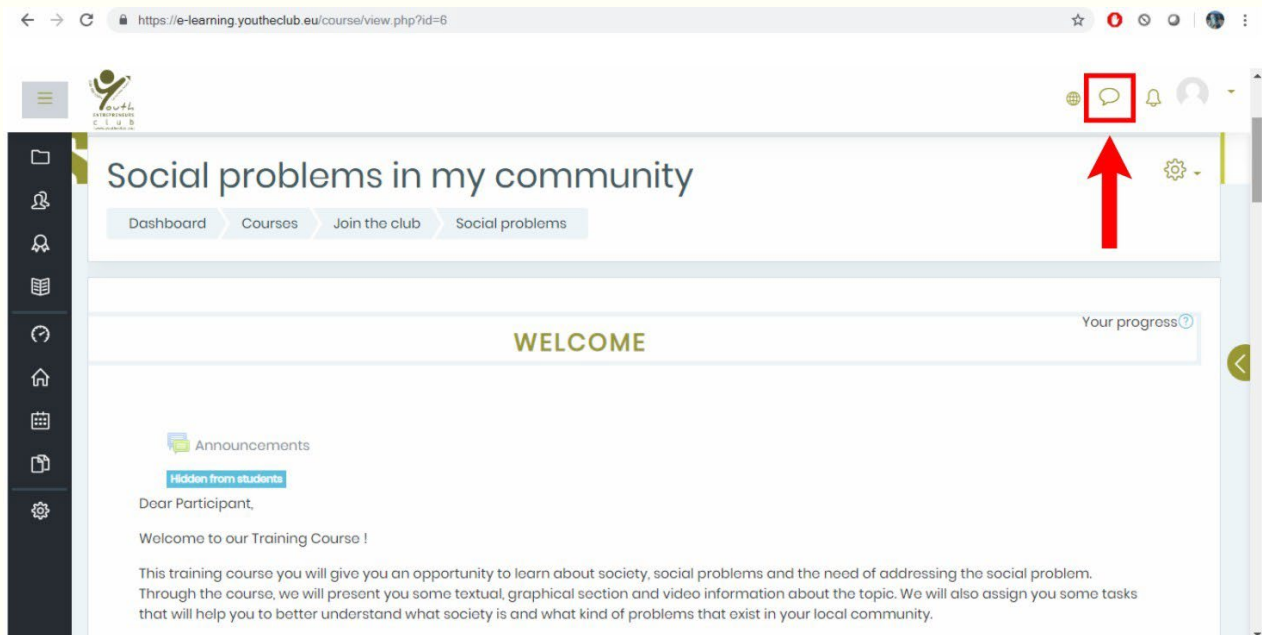

The screenshot shows a web browser window with the URL <https://e-learning.youthclub.eu/course/view.php?id=6>. The page title is "ME AND MY SOCIETY". The interface features a dark sidebar on the left with several icons, including a person icon and a home icon, both highlighted with red boxes and red arrows. The main content area displays a list of activities:

- ME AND MY SOCIETY**
 - What is a society?
 - What are the main problems in my society or community ?
 - Restricted Not available unless: The activity **What is a society?** is marked complete
- MAKE THE DIFFERENCE BETWEEN PERSONAL AND COMMUNITY PROBLEMS**
 - Fault game cards
 - Restricted Not available unless: The activity **What are the main problems in my society or community ?** is marked complete
- WHICH PROBLEMS CAN BE GENERALIZED ?**

In a previous parts of the training, you have noticed that some problems can be personal and some of them are also the problems of community or society. Therefore, some personal problems are not just personal. They can have broader influence and become also the problem of society. But, how can we know

In a case you have a question you can use toggles messages menu where you can contact with your e-mentor.

You have to go through the course till the end.

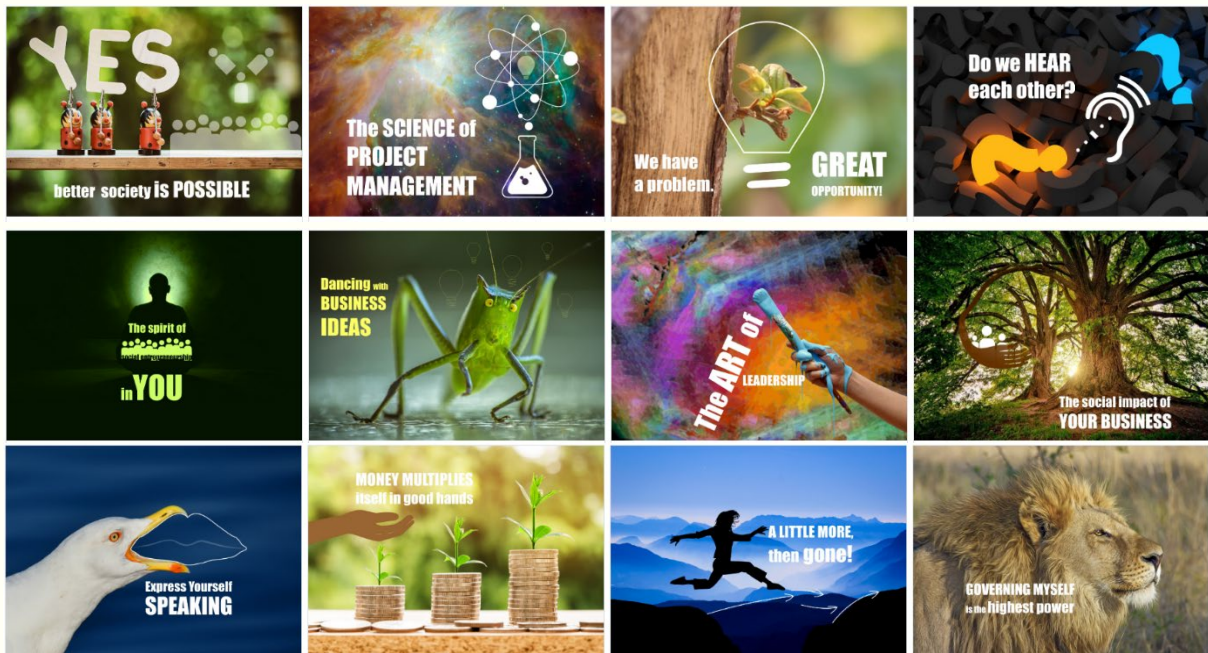

When you have reached the end of this training course, we want to congratulate to you for your real efforts and work. By completing this course, you have been eligible to enroll yourself in a second training course.

E-stream part

The second part is named E-stream and is dedicated for those who already knows something about social entrepreneurship or to create and implement social innovative project in community, or thinking to start social business. This part is consisted of 12 training courses.

At the homepage or Dashboard of YES Club e-learning platform, you can choose which programme do you want to follow.

E-stream part is consisted od 12 inter-connected trainings. This means that each training is connected with previous training, so you need to complete one-by-one. Of course, first you start with the training named YES, better society is possible! Once you complete the training, you will be automatically enrolled in the second course. For each completed training course, you will be awarded by course – specific badge. Those who complete all 12 trainings will get Certificate for successful completion of all twelve training courses with listed all awarded badges.

After successfully completing the first course, you will be submitting by clicking FINISHED and as a next step you will be able to go to the new course for completing the next set of questions.

For each completed training course, you will be awarded by course – specific badge. Those who complete all 12 trainings will get Certificate for successful completion of all twelve training courses with listed all awarded badges.

Comparing with E-seed, E-stream is more complex and require more working and learning time. But, also, E-stream is more interactive and more motivational part.

The procedures of completing the activities in E-stream is almost identical with completing the activities in E-seed.

This certificate is automatically issued for successfully completion of 12 training courses of the E-stream learning programme on Youth Entrepreneur Club e-learning platform available on www.youthclub.eu.

YES Cub Admin
have successfully completed twelve e-learning courses
and have been awarded the following badges:

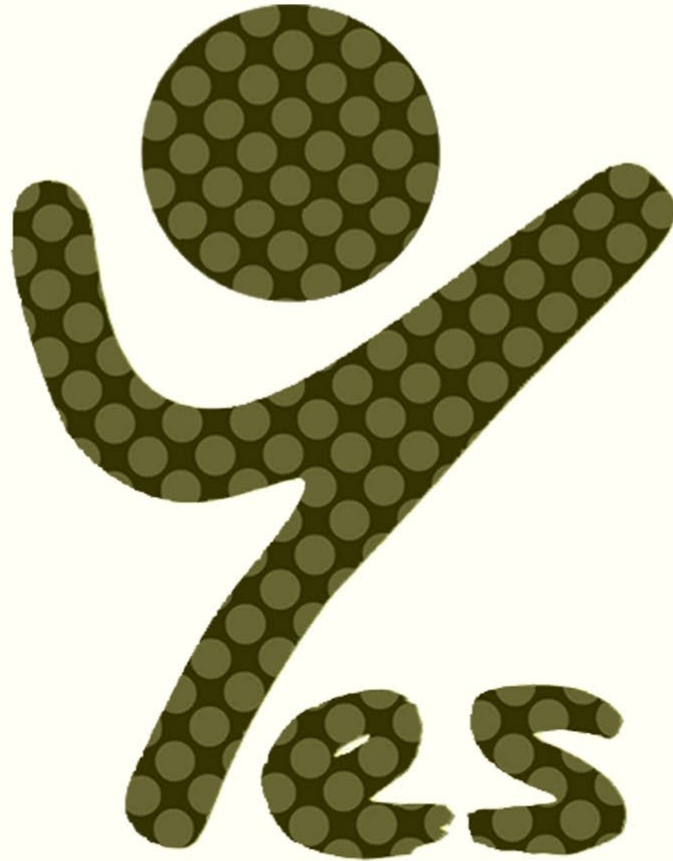

In E-stream part you will have possibility to write social innovative project which aims to solve some social problem(s) in your community but using social innovation(s) as a tool or method. However, if you want to transfer your project idea to business idea, you will have opportunities to learn how to do it and finally write your Business plan, also known as social business canvas. For those with the most innovative and feasible social business canvas, some grants might be awarded.
